### The Beeches

The Beeches is a small provision of fully self contained and beautifully presented flats. The provision has a high staff to service user ratio with a real focus on the development of Independent living skills.

Positive Living work intensively to develop service users' life skills and independence with the overall aim wherever possible to move service users into a community placement provided by Positive Living. This move on process is not time driven but ability driven as we recognise that individuals develop skills according to their own ability.

The distinct advantage of what Positive Living can offer at the Beeches is the opportunity for service users to gain skills in a safe environment whilst moving towards a community placement at the right time and within the same organisation, offering them a continuity of care and support and a seamless transition. By operating this model we can offer service users a pathway to greater independence and Local Authorities the benefit of lower costs and reduced long term liabilities.

The provision is conveniently situated for the town centre as well as the local shops, cinema and sports and leisure amenities. There are excellent transport links.

The Beeches offers placements to Buckinghamshire, Oxfordshire, Reading, Slough, Wokingham, Windsor and Maidenhead, Bracknell Forest, Hertfordshire as well as many London Boroughs.
